

PARAGON CHILDRENS CUBICLES

Somewhere to go and be happy to come back to

Convenience that's practical, hard wearing and looks great

- Utilise our standard sizes or we'll manufacture to suit your space
- Achieve a visual impact using a wide range of attractive colours and designs
- Benefit from the durability of high pressure laminate surfaces
- Compliment the superb finish with stylish anodised or powder coated hardware
- Reduce potential impact hazards through our softened vertical edges
- Provide easy access to cubicle for supervision and in case of emergency
- Introduce outward opening doors for easier disabled access
- Be kind to the environment by choosing a core that can be recycled
- Install using your own fitters or we can fit for you

Manufacturing options available

1. Full range of sizes to suit Key Stage 1, 2 & 3
2. Inward or outward opening doors
